DISCLAIMER & DISCLOSURE

1. The margin rates shown in these files are obtained from Stock Exchange websites and are true and correct at the time when these details were fetched.
2. In derivatives markets in India, the margin applicable is on portfolio basis and not on contract basis. There are complex rules prescribed by SEBI and Stock Exchanges for computation of portfolio-based margin. Depending on a client's position in other contracts/ securities, the margin would be different.
3. In certain contracts, there are pre-expiry margin applicable for certain period. This pre- expiry margin called delivery margin is at different rates on different days depending on the unexpired period of the contract and is over and above the margin rates published here
4. In equity derivatives (futures and options) , if the underlying security in cash market is subjected to additional surveillance margin rates, the same would be automatically applicable to derivative contracts of such underlying security. Similarly, in commodity derivatives, there are other margins imposed by Stock Exchanges from time to time and client specific additional margin called concentration margin in case of open positions exceeding some predefined threshold.
5. Stock Exchanges have authority to impose client specific, security specific and contract specific additional margin , which will be in addition to the margin rates prescribed.
6. The margin rates published here are indicative only and are subject to change anytime at the discretion of the Stock Exchanges based on market volatility, price movements in certain securities and other events. Such changes may be applicable without prior notice.
